

Holly's Tie Dye Art

What you will need:

- Paper towel
- Rubber bands
- Wet wipes
- Coloured pens

Steps:

1. Pinch the center of the wet wipe and twist it
2. Attach a rubber band to secure it (do this until all parts of the wet wipe are twisted)
3. Use coloured pens to colour the different sections of the wet wipe
(make sure to let the pens get into the folds to achieve a prettier outcome)
4. Remove the rubber bands and lay the wet wipe on top of the paper towel until it's completely dried. Well done!
