

# Will's Paper Spinner

## What you will need:

- Cardboard
- Coloured pens
- Plain paper
- Yarn
- Glue
- Scissors
- Pencil
- Any circle tracer

## Steps:

1. Trace a circle shaped object on to the cardboard.
2. Cut it out. \*
3. Fold plain paper and trace the circle cardboard.
4. Cut it out. \* You now have two white circles.
5. Glue two circles on both sides of the cardboard.
6. Decorate your spinner using coloured pens (or any colouring materials). Make sure to decorate both sides.
7. Make a two holes at the centre of the circle using scissors. \*
8. Cut some yarn and insert one end of yarn into the 1st hole of the circle. Then the other end into the 2nd hole.
9. Make a knot.
10. Stretch the yarn and start spinning! :)

\* Remember to get an adult to help you out with scissors.
